Manitowoc Campout

On March 30–31, 17 scouts and adults went to Manitowoc to tour and "sleep" over one night on the U.S.S. Cobia. This is an authentic World War II submarine docked on the Manitowoc River just outside of the Wisconsin Maritime Museum. Oh, and we did tour such museum too and drank some Torpedoe Juice (can't explain, you gotta ask someone who was there). On our less than 24 hours adventure, we also went to the Point Beach Nuclear Power Plant visitors center to learn a bit about nuclear power, electricity, etc.
